

*Death & Co*

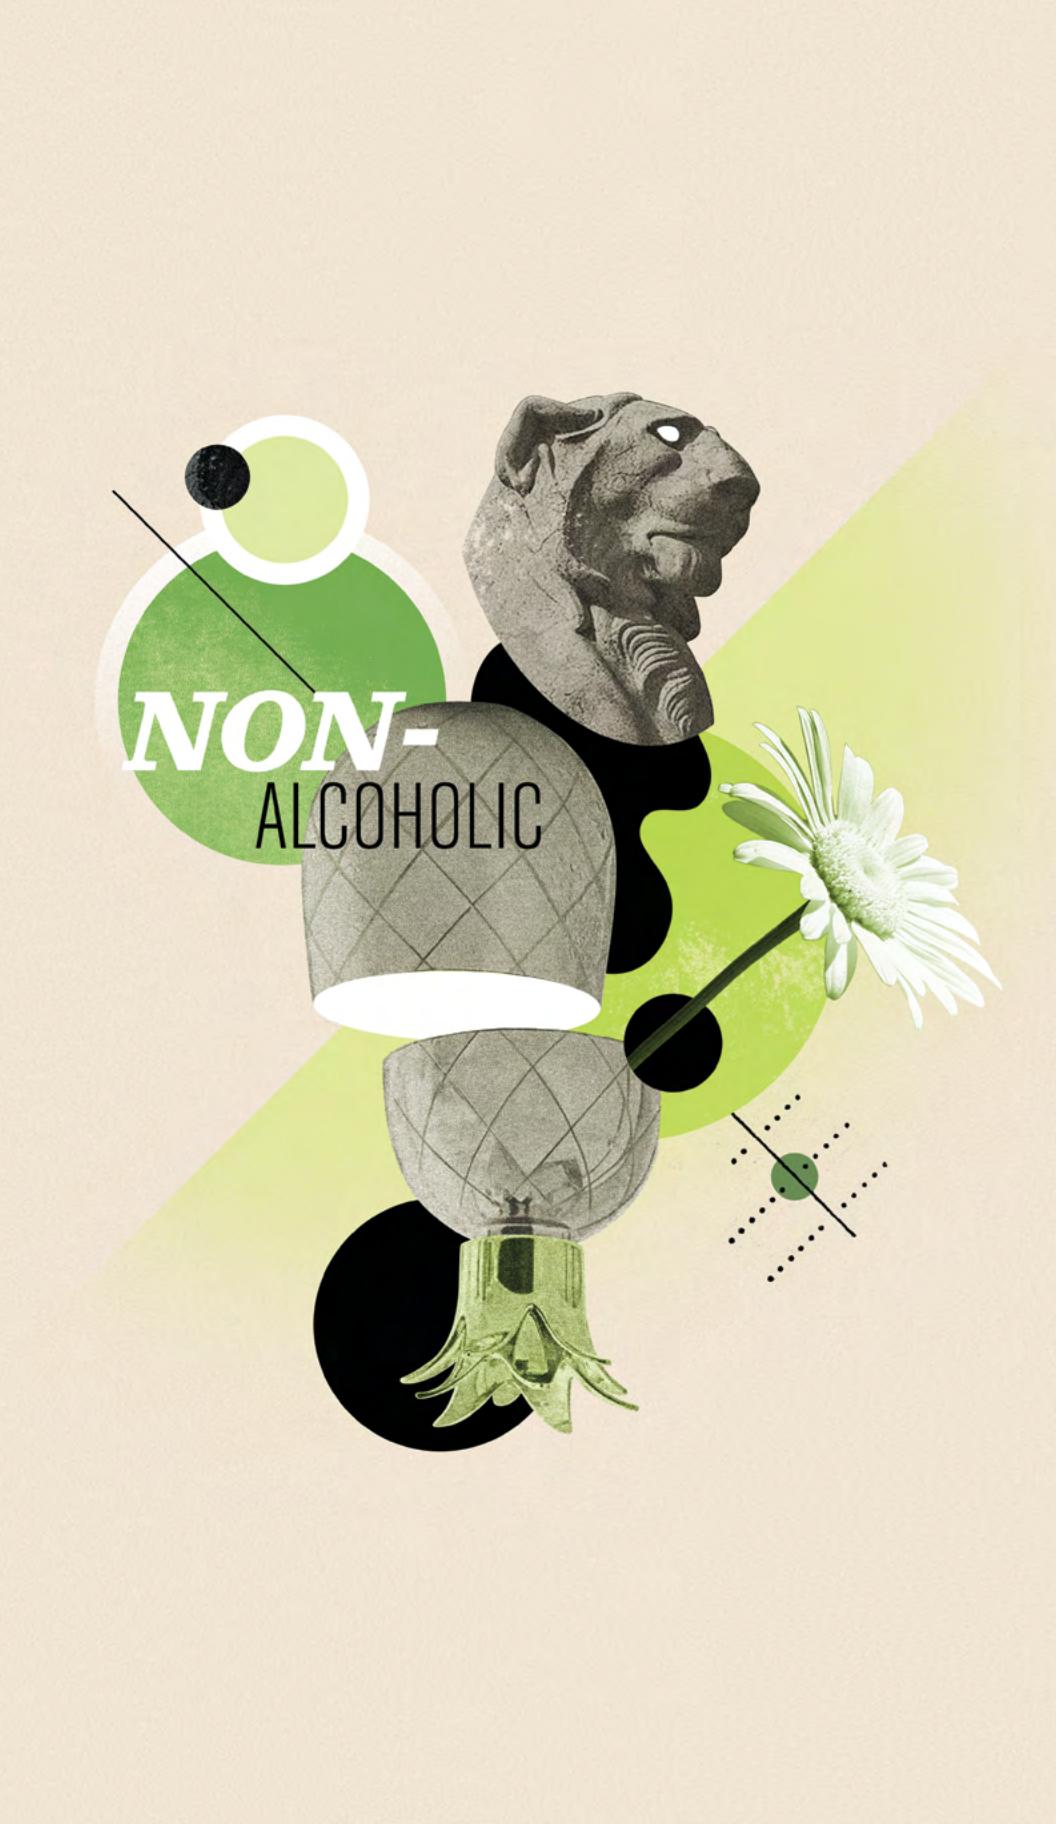

The image is a composite of several elements. At the top center is a classical statue of a torso, shown from the waist up, facing right. Below it is a circular landscape illustration of a forested mountain range. In the bottom left corner is a circular emblem containing a stylized chalice surrounded by laurel branches. In the bottom right corner is another circular emblem containing a row of five dark, tapered glasses. The background is a light gray with white circles and a dotted line pattern.
